ABOUT US

**RUNWAY
FASHION
MANAGEMENT**

Runway Fashion Management, a talent management company based out of Delhi conducts fashion shows across the globe and manage the events successfully along with organising and managing a production house which deals in shoots .The company holds experience in guiding people in arenas like shoots, advertisements, brand promotions, launches and has thus created a benchmark in the glamour and lifestyle industry.

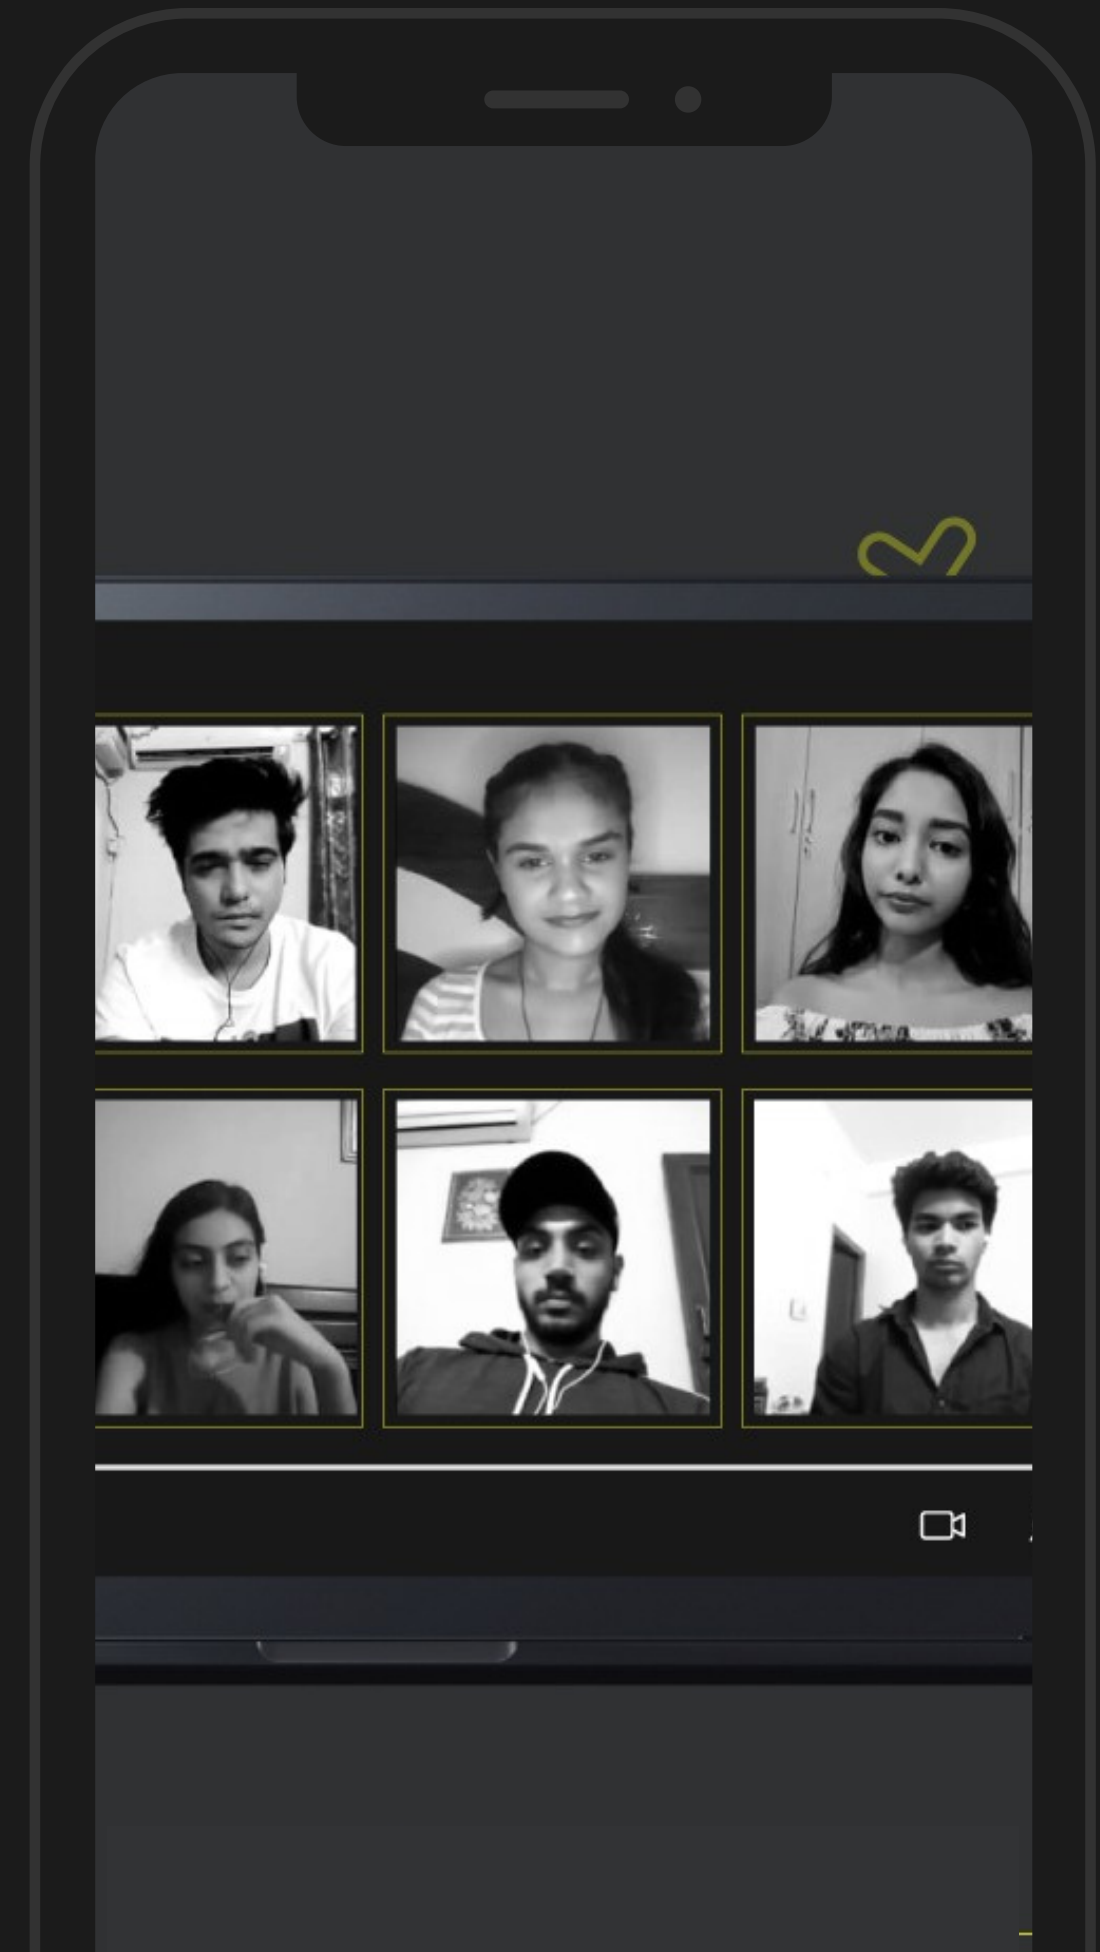

RFM has been in the industry for the last 12 years and in these past years we have been conducting many fashion shows in different parts of the country. Bringing out fresh faces of talent from their own property Runway Grooming School . Hosting fashion shows and shoots and managing the event and keeping it intact to its original form is our strength. National and International markets have both deeply welcomed us in the industry and our job is to compile every lose end and put it together into perfection. Providing new models with skills and arranging them according to the requirements of the shoot or show is something which require skills. We also work as fashion consultants and we have been hosting many award shows in India and we have also done International shows. In the long run our dedicated team have worked in every genre of fashion industry which is also a reason of our reputable name and status.

Runway Fashion Management's vision is to set a bench mark in creating a platform, executing shows and giving chances to aspiring models in the industry to create their own identity.

ABOUT

RUNWAY GROOMING SCHOOL

Runway Grooming School is a Brain child of Runway Fashion Management which has come up with a strong format for the potential models , individuals in corporate feild or business owners to brush up their skills and compete in a fair competition to become a fine personality or a model. In this format we include identifying your personalities, looking for the strengths, encouraging them to realise their real talents and assets,grooming them and polishing them according to the environment of-the industry. Our purpose is to serve the fashion industry with the fresh and talented models who are well trained in every sphere. We have been working in this field for many years now and with time we have successfully captured the essence of the form which converts a good model into the best the . Since we have produced many talented models we are looked up to by the industry in various segments across India. Our chief purpose is to serve the fashion industry with fresh faces and talented models who are well trained and groomed .

In our school , the participants will be judged on the basis of various aspects by the pioneers of the fashion world and the participants will be given the opportunity to interact with them one on one, so that they can learn to shape up themselves according to the fashion life and after going through many stages of selection and crossing all the hurdles .

So brace yourselves for the ultimate ride with us !
